SERVICE FUNDS / GRANT PROGRAM

Welcome, to the Soroptimist International of Carson City Service Funds / Grants Program. All of our members wish you the best as you traverse this road on behalf of your agency and its specific needs.

For your information, we are the largest classified business and professional women's service organization with over 100,000 members in 115 countries. The first Soroptimist International charter was signed in Oakland, California, October 3, 1921. Soroptimist International of Carson City was chartered June 8, 1957. Our members are actively engaged in professions and careers and come together for mutual support, friendship and to serve the community.

Areas of service for Soroptimist International include health, education, economic and social development, international good will and understanding, human rights/status of women, and the environment. Projects in these areas will be considered for funding.

Our Service Funds / Grants Program was designed specifically to distribute funds to worthy causes in our area who have not been selected as one of our "partnered" projects. Our "partnered" projects receive funds from specific fund-raising efforts.

To apply for funds, please complete the attached application and supply the required attachments. **Please submit your application no later than Friday, April 1, 2011. You can mail your application to SICC, P.O. Box 794, Carson City, NV 89702.**
